CHRISTIAN AID WEEK 10-16 MAY 2021

As usual we will be distributing collection envelopes around the Parish during Christian Aid Week, Because of the ongoing Covid 19 restrictions however, we shall not be collecting as usual. Instead, the envelopes will be accompanied by a

Parish Newsletter updating people on the completion of the work at the Cathedral and the re-opening arrangements. The letter will also explain our commitment to the work of Christian Aid and will invite people either to return the envelopes with money to the Cathedral or to make payment direct to Christian Aid.

So, if you feel able to help with the distribution of envelopes at the beginning of Christian Aid Week, please get in touch with the Session Clerk, Alan Grant, or any elder. Envelopes and letters, along with all the other necessary instructions, will be available for collection before the start of the week.

St Machar Community Biodiversity Project

Enhancing the space for all

This kirkyard project embraces the need to conserve both our wildlife and our heritage.

SPRING INTO ACTION FOR WILDLIFE

Join us

Plant wildflowers and discover the benefits of native species for pollinating insects

Summer BioBlitz – bring the family to find out what creatures are living in the churchyard and help record findings.

Watch out for updates

Email education@stmachar.com for future events

Follow us on Instagram #stmacharcathedral
